WELCOME

It is our pleasure to welcome you to Alphacrucis and our Diploma in Chaplaincy. We are delighted you have responded to the call of God on your life and taken this important step to thoroughly prepare yourself for ministry. The Diploma in Chaplaincy is an NZQA approved and accredited, foundational level programme in Christian Studies tailored towards those who are intending to minister as chaplains in the community. This programme enables students to complete the New Zealand Diploma in Christian Studies (Level 5) with a strand in Chaplaincy.

The Chaplaincy material is designed to provide you with the specific skills to be an effective community chaplain in workplaces, care facilities, institutions, and in crisis situations. This involves studying a range of topics from loss and grief, managing conflict, crisis intervention and many other areas. Please talk to the Head of Studies or the Registrar about continuing your studies with Alphacrucis so that we can provide the most efficient service.

We look forward to having you on the journey with us.

PURPOSE AND OPPORTUNITIES

The programme allows students to gain a broad range of knowledge and skills in Christian ministry and Chaplaincy practice. This will create the opportunity to enter a Chaplaincy career with options in armed service, hospitals, schools and a wide range of community chaplaincy places.

We have specifically designed the Diploma in Chaplaincy to equip community Chaplains with the skills necessary to function effectively in the community. It is also valuable for Pastoral care activity within the local church and for shaping a Christian worldview.

The College has a strong ethos for shaping Christian and professional character and this is expressed through the graduate attributes detailed below which shape the content and delivery of all courses.

OUTCOMES

A graduate from this programme will be able to:

- Evaluate and apply a broad understanding of theology and biblical foundations based on textual interpretation and religious practice.
- Evaluate a ministry programme based on strategies that integrate personal and community faith journeys and the social, cultural and other contextual considerations of defined groups.
- Integrate and apply biblical theological and practical skills to the specific role of chaplaincy
- Facilitate worship and pastoral care practices to provide leadership and the direction of groups in the broader community with those needs

CREDIT

POLICY FOR AWARDING CREDIT

Policies for awarding credit are outlined as follows:

1. The determination whether a candidate has satisfactorily completed a paper is made by the Academic Committee on the recommendation of the Programme Director or Head of Studies in which the paper is offered.
2. In order to complete a paper satisfactorily and to gain the number of credit points specified for that paper a candidate shall:
 - attend classes as required by the Attendance Policy of the College
 - complete required assessments as outlined in the paper
 - reach a satisfactory level of achievement in assessments as outlined in the paper
3. Where a candidate is prevented by unavoidable disruption from satisfying the requirements the policy for aegrotat passes will be followed
4. Students must satisfy the requirements of all the Learning Outcomes in order to pass each paper and achieve the qualification.
5. Late assignments will attract a penalty of 3% per day up to a maximum of 21%. No essay will be accepted more than one calendar week after the due date.
6. All assignments must be typed. Hand-written assignments will be returned to the student and will incur the 3%/day penalty until submitted in an acceptable format.

Important Note: Please see the **Alphacrucis Student Handbook** for the relevant policies and processes for extension requests, attendance requirements, aegrotat passes, resubmissions, re-enrolments and appeals.

CROSS CREDITS, CREDIT TRANSFERS, RPL

Cross Credit Policy

Cross-crediting may be available for a student who has qualified for a Diploma or Certificate at Alphacrucis, or a student who did not complete, or was not a candidate for an award but who successfully completed one or more papers from a Schedule of Papers of Study at Alphacrucis. Cross credit may be given for a specified paper or papers where previous study is regarded as having satisfied both the outcomes and the assessment requirements of the Paper.

If the applicant is eligible for credit for previous studies, they should request advice from the Head of Studies about credit when accepting the offer of admission.

The application process for Cross-Credits includes the following:

1. Student to Complete Application Form

An application form is available from the Registrar's office or can be downloaded from the College website (acnz.ac.nz), or from Moodle. Students are to complete the application form and lodge it with the Registrar. Applications for cross credits are free.

2. Assessment of Cross Credit Application

The Registrar's forward to the Programme Director for approval or otherwise. A student refused credit may appeal through the normal mechanisms provided for in the Student Handbook.

3. Approval

If cross-credits are approved for a particular paper, the Registrar will record 'Cross-credited' on the Record of Learning for the relevant student.

Credit Transfer Policy

Credit transfer refers to credit that is awarded on the basis of prior formal learning or study at another tertiary institution. Credit transfer may be given for a specified paper or papers where previous study is regarded as having satisfied both the outcomes and the assessment requirements of the Paper.

If the applicant is eligible for credit for previous studies, they should request advice from the Head of Studies about credit when accepting the offer of admission. Please note that credits gained before 2007 may not be eligible for cross credit.

The Head of Studies is responsible for overseeing the credit transfer applications and will report to the Academic Committee all credit transfers awarded once per Semester.

Recognition of Prior Learning

Recognition of prior learning (RPL) refers to learning that has taken place outside of formal education and training, including knowledge, skills, competencies, and attributes which may have been learnt during work experience, through involvement with community organisations or activities or sporting groups and activities, or through general life experience.

RPL can be used in two ways: first, to gain access to a course or qualification or for credit in the CCM. RPL is different to credit transfer because the student is *being assessed* to determine if they have met the learning outcomes in a particular paper outside of formal education. In determining the

applicability of RPL, the Academic Committee may require assessment including (but not necessarily limited to) methods such as:

- a) preparation of a portfolio with examples of previous work;
- b) letters from employers or community leaders explaining applicant experience, responsibilities, skills and capacities;
- c) a direct assessment of applicant skills by requiring the applicant to perform the skill;
- d) a 'challenge' test, which requires the applicant to undergo assessment to see if the applicant has met the required standards;
- e) a reflective essay combined with other evidence, where the applicant explains what you have learnt, how they learnt it, and how it relates to their current course or qualification; or a combination of all these methods.

CREDIT TRANSFERS FROM OTHER INSTITUTIONS

Students transferring from another institution may be able to transfer credits.

From Diploma programmes:

- **Where the other institution has an articulation agreement with Alphacrucis:**

The cross-crediting allowances will have been determined. Please contact the Alphacrucis Registrar.

- **For students from institutions that do not have an articulation agreement with Alphacrucis:**

Students may submit transcripts which will be assessed for cross-crediting.

REGULATIONS

COMPLETION REQUIREMENTS

- a. The successful candidate must complete 120 credits at Level 5 in the prescribed subjects.
- b. Every Diploma component (paper or subject) will be 15 credit points. The qualification will therefore require a total of 8 papers for full time study over one year.
- c. The normal duration of the course for full time students is 2 semesters. These are normally studied consecutively.
- d. The maximum period in which to complete the Diploma is within 8 semesters or 4 years. This includes any suspensions in study or repeated papers. Students may enrol for part-time study.
- e. Students will make subject selections each academic year or semester. Students may request guidance prior to finalising their annual selection of subjects. Applications for guidance must be made to the Dean of Christian Studies prior to the commencement of papers.

REGULATIONS FOR THE FOUR CHP CHAPLAINCY PAPERS

- a. Students must do the papers in the order specified.
- b. Students must complete 150 hours of practical chaplaincy experience in the community during the course.
- c. Completion of the four chaplaincy CHP papers will enable members of NZ Assembly of God churches to apply for a Chaplaincy credential with the NZAG. Members of other church groups need to obtain a credential through their own church organisations.

GRADUATION REQUIREMENTS

The following conditions are applied to the conferral of the Diploma:

- a) Meeting the Diploma regulations
- b) Accounts department clearance

c) Library clearance

Students meeting these conditions will be presented to the Academic Committee to have the Diploma awarded. The Academic Committee may award the Diploma with merit or distinction according to the following definitions:

Merit: a grade average of 75 across all papers contributing to credit in the Diploma

Distinction: a grade average of 85 or higher across all papers contributing to credit in the Diploma

Where a student is awarded merit or distinction this will be recorded on the Diploma award.

ASSESSMENT

Assignments, Tests, Examinations

All papers will be assessed using a variety of assessment tools. The paper outlines for each subject will clearly state the requirements for completing the course.

Grading Policy

- A candidate's grade for a paper offered by the College is determined upon an assessment of performance in required coursework and/or examinations.
- Grades for assessments and overall papers for a candidate are recorded as follows:

Grade	Percentage Range
A+	90-100%
A	85-89%
A-	80-84%
B+	75-79%
B	70-74%
B-	65-69%
C+	60-64%
C	55-59%
C-	50-54%
D	40-49%
E	below 40%
DNC	Did Not Complete

EXTENSIONS FOR ASSIGNMENTS

Extensions of assignment deadlines will only be granted on the following grounds:

- Medical illness (certified by Doctor's Certificate)
 - Extreme Hardship
 - Compassionate Grounds
- Requests for extensions **must be submitted** via the link found on the Moodle website
 - Requests for extensions must be made before the due date of the assignment
 - Requests for extensions should **not** be made to individual lecturers
 - In extreme cases, students who are unable to complete the assessment for a paper due to extenuating circumstances, will, subject to approval by the Academic Committee, receive an

'Extension' (E) grade for that paper. The student then has a period of time determined in discussion with the lecturer (usually one month - maximum of 60 days) to complete any/all assessment for that paper. The student will incur no financial penalty in this case, due to the extreme nature of his/her situation. Further, once any/all forms of assessment have been submitted, the 'Extension' grade will be replaced by the new grade.

- Extensions will not be granted for reflections where the contribution to the final grade is less than 5%

RESUBMISSIONS AND RESITS

Where a student receives a 'Fail' grade for completed assessment, and the lecturer believes that the student has made a genuine effort to satisfy the assessment requirements, the lecturer may decide to ask the student to re-submit that assessment. If this occurs, the student will be given an 'Incomplete' grade, and has three weeks following the notification of the grade to re-submit the assessment. If the re-submitted assessment is deemed satisfactory, the 'Incomplete' grade will be replaced by a new grade. This grade will be 75% of the mark given for the resubmitted assignment e.g. If the marker gives a resubmitted assignment a grade of 80% the actual mark received will be 60%. This penalty will be incurred down to a minimum of 50%.

In the event of the assessment not being re-submitted within the stipulated period, the student will receive a 'Fail' grade. Students will only be allowed to re-submit one piece of assessment per paper, and further unsatisfactory assessments will result in a 'Fail' grade (unless exceptional circumstances are approved by the Academic Director).

If a student fails to satisfactorily meet all the Learning Outcomes in a particular paper, s/he will receive a permanent 'Fail' on his/her transcript. If the student then wishes to pass the paper, s/he must re-enrol (with a 50% discount on the enrolment fees only if a grade of 30% or greater was initially achieved) and resubmit all forms of assessment required by the lecturer. If approved by the relevant lecturer, and if the 'Fail' grade was not the result of poor attendance, the student will not be required to attend classes. If this resit is not completed by the end of the semester following the fail grade, then students wishing to redo the paper will be required to pay full-fees and attend all classes. A student will not be permitted to repeat a paper more than once.

APPEALS

A student is free to appeal against the grade given in any assignment if s/he believes that some error in grading has occurred or if there are more general concerns about the grade given. The process of appeals is as follows:

Discuss the Result with the marker

- If a student has reason to believe that an error has been made or an injustice exists after receipt of notification of paper results, the student may discuss such matters with the marker responsible for that aspect of the paper.
- The purpose of this initial phase is to clarify the result and to correct incorrect perceptions and misunderstandings.
- This phase may be resolved by the student accepting the result, or the marker determining to re-address the issue (i.e. supplementary, re-marking of paper, etc.)

Lodgement of Appeal

- Should the student not be satisfied with the outcome of such discussions, the student may apply for a review of the matter and/or re-grading of the assessment.
- Applications must be submitted, in writing, to the Academic Committee within fourteen (14) days of the publishing of the grade.
- All applications must be accompanied by supporting information and documentation. The specific

grounds on which a request for a review is based must be stated clearly.

- Such reviews could lead to no change or to either a less favourable or more favourable outcome for the student.
- The review shall be completed by the relevant department head (Alphacrucis) and one or two other faculty, apart from the marker.
- After the review has been completed, students should not expect staff members to respond to informal approaches or pressures.
- Notice of the outcome of any review will be communicated in writing to the student requesting the review.

Aegrotat

A student prevented from completing any major item or items of work for assessment in a paper, or who considers that his or her performance in completing any major item or items of work for assessment in a paper has been impaired by illness or injury or bereavement or any other critical circumstance, may apply for aegrotat consideration for the paper.

Appeals to NZQA

Should a student believe that the above process has been unjust the student may lodge a claim with the Disputes Resolution Service: <https://tedr.org.nz/>
